

## logo

The Project Open Voice logo was designed specifically to reflect critical aspects of the project: approachability, connectivity, and – of course – Comcast. The color palette directly pulls from Comcast’s Dream Big specifications with the addition of the dark gray color used for the logo lettering.

Never alter the provided logo format.

While graphically, Project Open Voice is presented in all lower case format, in text, Project Open Voice should appear in upper-and-lower case with a capital P, O, and V.
